Disposal Information

Waste Electrical and Electronic Equipment

■ This symbol on the product indicates that, under the European Directive 2012/19/EU governing waste from electrical and electronic equipment, this product must not be disposed of with other municipal waste. Please dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of waste and recycle them responsibly to promote the sustainable reuse of material resources.

For more information about recycling of this product, please contact your local city office or your municipal waste disposal service.

For details, please visit the Barco website at: <http://www.barco.com/en/AboutBarco/weee>

Trademarks

Brand and product names mentioned in this manual may be trademarks, registered trademarks or copyrights of their respective holders. All brand and product names mentioned in this manual serve as comments or examples and are not to be understood as advertising for the products or their manufacturers.

1. LENS

Purpose of the lens

The lens is exclusively designed for a specific range of Barco projectors and can thus not be used on any other equipment.

See the procedure below to find out for which projector(s) your lens is applicable.

CAUTION: Never transport the projector with a Lens mounted in the Lens Holder. Always remove the Lens before transporting the projector. Neglecting this can damage the Lens Holder and Prism.

Each time a lens is manipulated (e.g. removed and installed in a projector), it needs to be homed and returned.

1.1 Installation & operating instructions

Introduction

The installation & operating instructions for the zoom lens are dependent on your type of Barco projector and can be found in the manual(s) of the projector.

Where do I find the installation & operating instructions?

1. Go to Barco's website on <http://www.barco.com>
2. Click on *myBarco*.
3. Login on myBarco.
If you are not yet registered click on **New to myBarco** and follow the instructions. With the created login and password, it is possible to enter the secured partnerzone on Barco's website.
4. Select **Training & Support**, select your country and market and enter.
5. Click on *Select your product*, fill in the product number of your lens or projector and click **Go**.
The links to the manuals (for which this lens is applicable) will be displayed.
6. Select the desired manual of your projector.
