Relamp program:

- * Return your old lamps to the closest Christie Service depot.
- * Place an order for the Relamped P/N 004-120135-01
- * Christie will invoice for the value of a new lamp
- * Christie will assign an RMA # which will appear on your invoice, the purpose of this RMA is to credit you for the difference in price between re-lamped and new lamps.
- * This credit will be processed once Christie receives and inspects the used lamp module is in good condition and still able to re-lamp
- * You may need to return a used lamp module in order to purchase a relamped unit.
- * This program is subject to availability of relamped stock.

Relamp program:

- * Return your old lamps to the closest Christie Service depot.
- * Place an order for the Relamped P/N 004-120135-01
- * Christie will invoice for the value of a new lamp
- * Christie will assign an RMA # which will appear on your invoice, the purpose of this RMA is to credit you for the difference in price between re-lamped and new lamps.
- * This credit will be processed once Christie receives and inspects the used lamp module is in good condition and still able to re-lamp
- * You may need to return a used lamp module in order to purchase a relamped unit.
- * This program is subject to availability of relamped stock.

Relamp program:

- * Return your old lamps to the closest Christie Service depot.
- * Place an order for the Relamped P/N 004-000306/-03
- * Christie will invoice for the value of a new lamp
- * Christie will assign an RMA # which will appear on your invoice, the purpose of this RMA is to credit you for the difference in price between re-lamped and new lamps.
- * This credit will be processed once Christie receives and inspects the used lamp module is in good condition and still able to re-lamp
- * You may need to return a used lamp module in order to purchase a relamped unit.
- * This program is subject to availability of relamped stock.
