# Dolby® Cinema Products Support Update

Dear Dolby® Cinema Customer:

Dolby is announcing that, after a long and successful life cycle, the Dolby Digital Cinema Processor CP650 will no longer be available for sale after December 31, 2014. Support for the CP650 will continue until December 31, 2016, or at such a time thereafter that parts are no longer available, whichever is later. For those interested in purchasing a CP650, please contact a Dolby Cinema salesperson.

## Products with Upcoming End-of-Sale and End-of-Support Dates

| Material | Description | End of Sale | End of Support |
|----------|-------------|-------------|----------------|
| CP650 | DIGITAL W/ EX CINEMA PROCESSOR | Dec. 31, 2014 | Dec. 31, 2016 |

Additionally, as part of standard business operations, Dolby has identified several products and their components that Dolby will no longer repair, support, or sell. Please see details below.

## Products No Longer Sold—Continued Support

Limited quantities of CAT685A and CP500-PSB are currently available for sale. Orders will be processed on a first-come, first-served basis, as long as stock is available.
