

Dear Customer

The Dolby® Atmos Interface DAC3201 which allows you to use amplifiers with analog inputs in Dolby Atmos installations will be withdrawn from sales effective July 8, 2016. Orders will be accepted until July 8th, 2016, or until stock has been depleted, whichever comes first. Once current stock has been depleted, customers should order the following product:

DISCONTINUED PRODUCT	REPLACEMENT PRODUCT	LIST PRICE OF REPLACEMENT PRODUCT
DAC3201	DAC3202	\$3750

PLEASE NOTE THE FOLLOWING IMPORTANT DATES:

July 08, 2016 or until stock has been depleted, whichever comes first.	Dolby Atmos Interface DAC3201 withdrawn from sale, (no new purchases accepted after this date)
July 08, 2017	End of hardware repairs and parts availability, as covered under the standard product one-year warranty

Please contact your Dolby representative to address any questions or concerns regarding this announcement, or contact [Sales Operations](#).

Sincerely,

Dolby Laboratories, Inc.
