DOLBY.

May, 2015

Dear Customer

The Dolby® StreamIt server was withdrawn from sale as of January 26, 2015. Please consult with your Dolby account manager for alternative Dolby solutions for playing live events, such as the Dolby StreamIt software package or the Dolby Live Event Player LE100. The StreamIt software package is a solution that installs on your Dolby ShowVault or Dolby Integrated Media Servers; the Live Event Player LE100 affords you the same Dolby StreamIt functionality, plus many other features.

Please note the following important dates:

January 26, 2015	StreamIt server was withdrawn from sale (no new purchases accepted after this date).
September 30, 2015	Software support for the StreamIt server ends. This date coincides with the date of the last unit sold covered under the warranty, and no new extended warranties will be made.

While Dolby intends to continue to provide repair services for products withdrawn from sale and to supply and support the other Dolby products mentioned herein, this announcement does not modify or guarantee repair services beyond existing warranties and terms and conditions. Moreover, the information in this email is subject to change without notice.

Please contact your Dolby representative to address any questions or concerns regarding this announcement, or contact salesadmin@dolby.com.

Sincerely,

Dolby Laboratories, Inc.
