

December 2018

As we approach the release of our new surround speaker displayed at CinemaCon 2018, Dolby and SLS announce the withdrawal from sale of CS890C, CS890C-CM, CS890S, and CS890S-CM, 8" surround speakers, along with the corresponding mounting bracket BKT.CS890-UB. These products will be withdrawn from sale on February 28, 2019. Orders will continue to be accepted until this date or until the existing inventory is depleted.

Replacement/Alternative products:

Part Number	Description
CS1090-2	10" SURROUND PAIR
YK-1090-2	SPEAKER YOKE ACCESSORY PAIR
MMA-1090-2	MULTI-ANGLE SURROUND RIGGING KIT PAIR

This replacement speaker achieves the same SPL spec and better dispersion, with pricing that provides an excellent value proposition for our customers. The yoke mounting accessory was created for wall mounting configurations, while the multi-angle bracketing is ideal for overhead applications. A more formal announcement for availability of these new products is forthcoming in early 2019.

While Dolby intends to continue to provide repair services and support for products withdrawn from sale through February 28, 2022, this announcement does not modify or guarantee repair services beyond existing warranties and terms and conditions. Moreover, the information in this email is subject to change without notice.

Should you have any questions or concerns regarding this announcement, please contact your Dolby sales representative or Sales Administration (salesadmin@dolby.com).

Sincerely,

Dolby Laboratories, Inc.
